Our hotel can be reached barrier-free from both Vienna International Airport (Flughafen Wien) and the Main Station (Hauptbahnhof Wien). We will gladly arrange for a taxi or shuttle service to pick you up from the platform of the train station or arrivals area at the airport.

Should you be travelling by car, you can park it in our car park depending on space availability and for a fee. You can reach the lobby barrier-free by lift from the car park.

The closest tram stop of the D tram line "Alfred Adler Straße" is only a few metres away. The stop has a bench, but no roof and you can access the station easily without any barriers. Please note that not all D tram wagons are barrier-free. The electronic display will tell you when the next barrier-free tram will arrive.
